SPAZI RISOLTI

FURNISHED SPACES

L'estrema modularità del sistema armadi permette di ottenere un ordine praticamente su misura. Le ante nascondono ripiani e accessori, la modularità è al servizio dell'ordine, un risultato estetico e funzionale di grande efficacia. Le attrezzature interne, i colori, le essenze, le maniglie, tutto diventa facile per realizzare soluzioni personalizzate che mantengono sempre inalterate le funzioni organizzative ed estetiche.

Wardrobe system extensive modularity allows for custom-made orders. Doors hide shelves and interior fittings; modularity encourages tidyness and serves the purpose of both functionality and elegance.

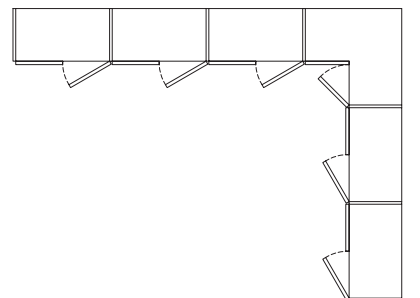

Interior fittings, colours, essences, handles, everything helps creating custom-made solutions for a wardrobe that has to be at the same time functional and elegant.

ELEMENTO AD ANGOLO_CORNER UNIT

Un angolo sfruttato in tutto il suo spazio. L'apertura delle due ante di questo modello battente permette di accedere senza compromessi al modulo angolare, internamente attrezzato con un comodo ripiano che ne segue la forma e con gli indispensabili tubi porta abiti.

A corner in which all the space has been exploited. By opening the two doors of this hinged door model it is possible to gain access to the corner module fitted on the inside with a handy shelf, that follows the shape of the module, and with essential hanging rails.

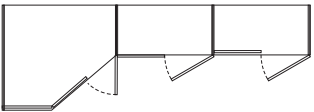

CABINA SPOGLIATOIO A 2 ANTE 45° / 2-DOOR WALK-IN CLOSET AT A 45° ANGLE

All'insegna della massima organizzazione dello spazio e della funzionalità, soluzioni anche esterne, come l'angolo a 45° che permette di ampliare l'armadio in entrambi i lati, pensando al futuro.

Designed for the ultimate in space organisation and functionality, like this 45° angle solution which lets the wardrobe be extended outwardly on both sides with a view to future requirements.

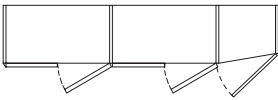

ELEMENTO TERMINALE / END MODULE

Il modulo terminale obliquo conclude la composizione con un piccolo gesto di eleganza, includendo nella sua attrezzatura i ripiani che ne aprono l'utilizzo anche alle esigenze più informali. Il progetto di una parete trova così armonia ed equilibrio.

The oblique end module finishes this arrangements with a light touch of elegance, including shelves in its fittings that open it up to the most informal uses. Thus, a back-to-wall wardrobe project can embody both harmony and balance.

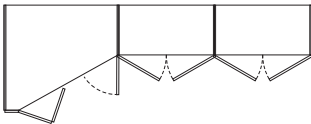

CABINA SPOGLIATOIO A 3 ANTE / SPACE: 3-DOOR WALK-IN-CLOSET

Per vivere appieno la comodità di una cabina armadio si può sviluppare in obliquo la composizione ad angolo, creando oltre le ante battenti tutto lo spazio per un vero spogliatoio, con specchi e tante attrezzature per rendere pratico e d'effetto il rito quotidiano dell'abbigliamento.

To experience the convenience of a walk-in-wardrobe to the full, the corner arrangement can be developed obliquely, creating all the space of a real dressing room behind hinged doors, with mirrors and lots of fittings to make this daily ritual practical and stunning.

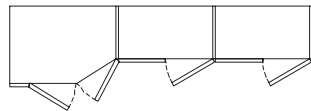

CABINA SPOGLIATOIO A 2 ANTE / FURNISHED SPACE: 2-DOOR WALK-IN-CLOSET

Non serve chissà quale spazio per dotare il proprio armadio di una vera cabina. E' sufficiente l'attento calcolo delle proporzioni del modello battente per inserire un modulo più profondo con anta obliqua a rientrare e il gioco è fatto.

You need a lot less space than you would think to fit your wardrobe with a real walk-in-closet. All you need to do is carefully calculate the proportions of the hinged door model to add a deeper module with an oblique receding door and your walk-in-closet is ready to use.

AREA TECNICA

TECHNICAL AREA

il vetro lucido o satinato che gioca sulle trasparenze, il fascino naturale delle essenze che mettono in risalto le venature e la matericità, i colori vivaci o neutri... scopri in queste pagine le gamma dei colori e finiture del sistema Logica: personalizza a piacere il tuo armadio, scegli anche la maniglia e organizza il suo interno.

Gloss and satin glass that plays with transparencies, the charm of natural wood that shows off its grain and texture, bright or neutral colours: all features that set a trend. Discover the range of colours and finishes available for the Logica system on these pages. Customise your wardrobe as you prefer, choose your handle and organise the inside too.

FINITURE & COLORI

FINISHES AND COLOURS

Un'ampia gamma di materiali e colori
permette infinite possibilità di personalizzazione.
Ogni arredo, complemento e accessorio può essere
declinato in diverse finiture per adattarsi
allo stile degli ambienti e ai gusti di chi
li vive quotidianamente.

A wide choice of materials and colours
means infinite customisation possibilities.
Each piece of furniture and accessory
can be supplied with different
finishes to better suit the style of rooms and the
taste of those who live in them daily.
